Apparel Music had some really good sounds hidden on their vinyl releases only. I am glad that they thought of their fans to avail "Apparel Wax" on digital format. If you love jazzy deep house styles, "LP001 by Apparel Wax" offers even more. Opening with 'LP001A1' to funk up the release with nice Ohio Players chorus, 'LP001A2' comes with a down and midtempo touches to slow down the pace in allowing 'LP001B1' to put more lively jazz mood, while 'LP001B2' collects all the sounds and blend them together. Do you love it soulful? 'Dimond Life is for you. Enjoy different styles on "Apparel Wax" including lounge. Just dance.
