London based Apparel Music, the imprint fronted by Italian producer Kisk, is set to release a small compilation next week on December 16th to celebrate 6 years in the business. The compilation, featuring tracks from Voyeur, Kerem Akdag, Kisk himself, and a collab between Ivano Tetelepta & Eugène Latumeten.

The outing is a pretty jazzy affair and we're happy to present a cut from it, courtesy of Ivano Tetelepta & Eugène Latumeten with the track 'Je Suis Reconnaisant'.
