Kisk 'Friends'

XLR8R STAFF · OCT 6, 2017

[Apparel Music](#) will soon release *Apparel Story part one*, a various artist compilation of the best issues in Apparel Music, since 2010.

Apparel Music is an internationally distributed record label, created in 2009 following a quest for the most diverse musical styles. The need to explore this genre arises from the idea of bringing something new to the electronic scene. "The two dogs in our logo are the yin and yang, day and night, good and bad, the contrast generated by everything...but above all love," the label explains.

Tracks on the release arrive from [Delano Smith](#), [Ekkohaus](#), [Kisk](#), [Tuccillo](#), [Echonomist](#), [Ivano Tetelepta](#), [Moony Me](#), and many others.

Ahead of the EP's October 30 release, Kisk's "Friends" is available to download via the WeTransfer button below.

TAGS · IVANO TETELEPTA · DELANO SMITH · ECHONOMIST · APPAREL MUSIC · MOONY ME · TUCCILLO · EKKOHAUS
